SUPREME COURT OF THE STATE OF NEW YORK  
COUNTY OF NEW YORK

M.H.,

Plaintiff,

-against-

E.T. A/K/A E.M.,

Defendant.

**Affidavit of Merit**

Index No. : 155395/2020

STATE OF NEW YORK )

) ss.

COUNTY OF NEW YORK )

Marisa Hahn, being duly sworn, deposes and says:

1. I am the Plaintiff in the above action and am fully and personally familiar with the facts and circumstances of this matter.
2. I submit this Affidavit of Merit in support of my request for a default judgment against the Defendant Emily Marks ("Defendant").
3. I know Defendant through my boyfriend, Adam who, for a time, lived with Defendant in the same Manhattan apartment.
4. At some point during our relationship, Adam and Defendant slept together. One day, upset and in search of answers, I reached out to Defendant's boyfriend, Fran, to try to learn more about what Defendant had told him about the incident.
5. On February 12, 2020 at 9:05 p.m, approximately two hours after I spoke with Fran, Defendant sent me my own intimate video and image by Facebook message. The fourteen second video shows me naked with my buttocks fully exposed; my face is fully visible

at multiple points throughout the video. The image appears to be a screenshot from the same video taken while my face is in full view.

6. Two minutes later, Defendant contacted me on Instagram, this time sending me an image of myself where I am fully naked, with my breasts and genitals exposed. Like with the last photo, my face is clear and visible. Notably, Defendant's camera roll is visible at the bottom of the image, revealing that Defendant is in possession of a large arsenal of my intimate images and/or video.

7. I sent Defendant a screenshot of New York's revenge porn law which makes it illegal to threaten to or actually disseminate the intimate image of another. Instead of apologizing or even backing down, Defendant simply began taunting me, telling me I was over 18 and saying I should call a lawyer. The conversation ended with me telling her that I intended to do just that.

8. Thereafter, several months passed. I hoped Defendant had taken my vow to call a lawyer seriously and moved on with her life. Unfortunately, that was not the case.

9. On June 23, 2020, I received an Instagram message from a mutual friend, Taras. The message was the same image that Defendant had sent to me via Instagram in February, showing my clearly visible face along with my breasts and genitals. The image was sent to me from Taras' account. I then received several written messages from Taras' account that included "I like em" and "Can you send better ones?"

10. I was horrified and continued to be. Taras was a friend and he is now in possession of at least one of my intimate images.

11. Defendant and I have many mutual friends; I cannot begin to imagine how many other people with whom she has shared my intimate images and/or videos. I fear interacting

with many friends I once saw and spoke with often because I worry that Defendant will again grow possessive and retaliate against me in the same way as she did with Taras.

12. Between Defendant's implicit threat to disseminate my images/videos and then her eventual follow through with Taras, what Defendant did to me has had a lasting effect on my mental state. I have spent many nights since February 2020 feeling like I had nowhere to turn and wondering who I can trust.

13. Even during the throes of the COVID-19 pandemic, while the rest of the world relied on their phones as their lifeline to the outside world, I only grew more fearful of them. I avoided using social media, as I was worried that my presence or interactions might elicit a negative response from Defendant. I worried that something as simple as a message to a person we both knew could lead to Defendant sending that person my images or, even worse, uploading them online.

14. Similarly, Defendant's actions have even caused me to rethink where I walk, as I am careful to avoid blocks near which Defendant works, lives, or is known to frequent. I worry that any interaction will trigger more of Defendant's vindictive behavior and cause me further humiliation.

15. In short, Defendant's dissemination of the image to a mutual friend, and the implicit threat that Defendant will do it again looms over my head on a daily basis. It has been a horrifically traumatic event in my life.

16. Therefore, I respectfully request that this Court grant this default motion.

# Exhibit 12

SUPREME COURT OF THE STATE OF NEW YORK  
COUNTY OF NEW YORK

M.H.,

Plaintiff,

-against-

E.T. A/K/A E.M.,

Defendant.

**ATTORNEY FEE**  
**AFFIRMATION**

Index No. : 161144/2020

Daniel S. Szalkiewicz, an attorney duly admitted to practice before the courts of the State of New York, hereby affirms, under the penalties of perjury, as follows:

1. I am a member of DANIEL SZALKIEWICZ & ASSOCIATES, P.C., attorneys for plaintiff Marisa Hahn (“Marisa” or “Plaintiff”). I am familiar with all the facts and circumstances set forth in this affirmation.
2. I submit this affirmation for the September 13, 2022, inquest relating to attorney fees.
3. I have been admitted to practice in New York and New Jersey since 2010 and my associate, Cali Madia, has been admitted to practice in New York and Florida since 2013. Both of us have extensive experience in internet related privacy matters. We both participate in CLE courses, have been named Rising Stars in “Super Lawyer” magazine, and provide all of our clients with personalized and skilled attention.
4. A copy of my current CV is annexed hereto as Exhibit 1 and incorporated herein by reference.

5. I have been responsible for reviewing the time records in this case from its inception to the present. I am familiar with the activities that the attorneys and staff have performed in representing the Plaintiff. I am also familiar with the time and cost of those activities.

6. Attached to this affirmation are true and correct copies of time entries for services rendered in this matter by Ms. Madia and myself (Exhibit 2). These entries represent contemporaneous billing records for this matter. The time entries contain sufficient detail of the task performed to show that the amount of time expended for the work described was reasonable. Moreover, given my role in the case, familiarity with the work performed, and my experience, as further described below, I have personal knowledge that the amount of time expended was reasonable.

7. Our client initially retained our services on July 1, 2020. A copy of the retainer is annexed as Exhibit 3.

8. Pursuant to the terms of our retainer, our hourly billing rate in 2020 was \$450.00 a partner. Our current hourly rate is \$500.00 an hour.

9. The following tabulates the hours recorded by each lawyer (as reflected on Exhibit 2) from July 1, 2020 until present:

<b>Attorney</b>	<b>Hours</b>	<b>Rate</b>
Daniel Szalkiewicz	34.40	\$450.00
Cali Madia	19.10	\$450.00
<b><u>Total</u></b>	<b><u>53.50</u></b>	<b><u>\$24,075.00</u></b>

10. The rates charged by each attorney were below the customary and normal rates charged to other clients at the times each of the services was performed. Both the hours spent by

us and the rates charged for those hours are reasonable and were necessary for the representation of Marisa in this case.

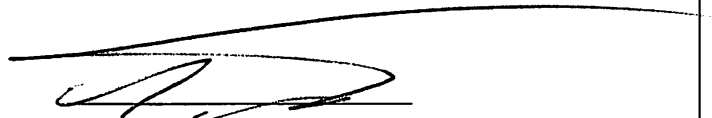

11. I have given lectures throughout the country on internet disclosure actions and the effect revenge porn and nonconsensual disclosure of images have on the law. Our law firm filed the first lawsuit under the New York City Administrative Code in this area, and we have multiple ongoing litigations in this area.

12. This area of law is relatively new, and there are few attorneys who practice in this field.

13. Had we not been representing Defendant in this matter, our attorneys would have been fully utilized on other billable client work

14. Based on the annexed invoice, the reasonable amount of time spent on the matter was 53.50 hours with an anticipation of additional work upon filing the inquest, for a total award of attorney fees in the amount of \$25,000.00.

Unless later agreed upon, the terms of this agreement shall apply to this representation and any additional matters that we handle on your behalf. This Engagement Letter is furnished to you in accordance with Part 1210 of the Joint Rules of the Appellate Division of New York. We have also delivered to you the "Statement of Client's Rights and Responsibilities" as mandated by New York law.

**Fee Arrangement**

The retainer fee shall be \$1,000.00, to be billed against as statements are rendered. This retainer payment does not necessarily represent the amount of the overall fee which you may incur by virtue of our services. The total fee is due upon the signing of this agreement.

It is mutually agreed that this firm will provide requested legal services to you billable on an hourly (or part thereof) basis at the then prevailing hourly rates. Currently, our fee structure is \$450.00 per hour for attorney services and \$0.00 per hour for paralegal services. These fees are intended to cover professional time spent on your matter, including, but not limited to office meetings and conferences, telephone calls and conferences, either placed by or placed to the client, or otherwise made or had on the client's behalf or related to the client's matter, preparation, review and revision of correspondence, pleadings, motions, disclosure demands and responses, affidavits and affirmations or any other documents, memoranda, or papers relative to the client's matter, legal research, court appearances, conferences, file review, preparation time, travel time, and any other time expended on behalf of or in connection with the client's matter.

The law permits us to ask for attorney fees from the defendant in this matter. As part of any judgment, we will be requesting the court grant us our full hourly rate of \$450.00 from the defendant. The we are awarded attorney fees, and collect them from the defendant, you will be refunded any hourly fees paid to us in this action. If we are unable to recover funds from the Defendant, we will agree to reduce our hourly rate to a mutually agreed upon rate.

Ms. Marisa Hahn  
As of July 1, 2020

---

We will also be entitled to recover a contingency fee of 25% of any of the funds received from the defendants in the matter.

We have also agreed that all out-of-pocket expenses incurred on an ongoing basis for local travel, filing fees, recording and court costs, if any, and the like will be billed additionally. Should we utilize, on your behalf and with your prior approval, the services of out of firm counsel or those individuals possessing skills in highly technical areas, their charges will similarly be incorporated within our bill.

#### **Termination of Attorney/Client Relationship**

You have the right to discharge this firm as your counsel at any time and for any reason. This firm has the right to withdraw from representing your interests in this matter or for any other matter which is governed by this retainer agreement if payment of an amount due under this retainer agreement is not received within thirty (30) days of the date it is due or the issuance of a monthly statement of account. Additionally, this firm has the right to withdraw in the event that we believe, in our sole discretion, that we can no longer adequately represent your interests due to ethical considerations or our inability to represent you due to conflicts which may arise between us during the course of our representation.

If we are so discharged or otherwise withdraw, this firm shall be paid for the actual time spent in connection with services rendered pursuant to this retainer agreement and the remainder of the advanced retainer paid, if any, shall be promptly refunded to you. Similarly, any amounts due and owing to this firm, in the full, nonreduced amount, shall become immediately due and payable. This firm shall retain a charging lien on this file and no other security interest shall be given except as provided by law, with notice to all interested parties and as approved by a Court of competent jurisdiction.

Should a dispute arise concerning the fees charged by this firm incurred pursuant to this agreement, you may seek arbitration pursuant to Part 137 of the Rules of the Chief Administrator (which will be provided to you upon request) which shall be binding upon both this firm and you.

#### **Storage of Files, Email and Cell Phone Privacy Issues**

In order for us to best represent you, all documents, photographs, and videos ("media") received by us during this engagement will be securely stored electronically and/or physically, when applicable. By retaining us, you consent to our physical and electronic storage of the media for the purposes of current and potential litigation, regardless of your age when the media was created. We agree that we will never share your media without your permission and consent.

As attorneys, we are under an ethical obligation to maintain the confidences and privacy of our clients. However, although most forms of communication (U.S. mail, overnight delivery, fax, telephone calls over a wired network) are considered security communications by the Courts, the State of New York has not provided any guidance governing the use of email or communications (text or voice) made by cell phone. Interception of email is a felony under the federal Electronic Communications Privacy Act which provides, in part, that should an otherwise privileged communication be intercepted in violation of the Act, the privilege will remain intact, however, although the material intercepted may not be admissible in Court it may still be utilized for other purposes by the person intercepting the communication. By outlining the risks involved, this office has fulfilled its ethical obligations and by signing this Retainer Agreement, you acknowledge your consent to receive privilege communications via email and cell phone. Should you decide that you no longer wish to be contacted by email or on your cell phone, this consent may be withdrawn by you at any time

#### **Billing and Payment Procedures**

This firm will invoice you on a monthly or "as needed" basis for services rendered and for itemized out-of-pocket expenses incurred during the preceding period. It is mutually agreed that all invoices will be due and payable upon receipt and that such charges willfully outstanding in excess of thirty (30) days will both bear interest at the option of this firm at a rate not to exceed one and one half percent (1 %) per month and be increased by costs of collection, including but not limited to reasonable attorney's fees incurred in connection with the collection of any amount due this firm.

Time is recorded contemporaneously and billed in tenths of an hour, with 0.1 hours equal to 6 minutes. For example, a charge of 0.1 hours would be made for services that take between 0 and 6 minutes, 0.2 hours for services that take between 6 and 12 minutes, etc.

If payment is made by credit card, a 3% service charge will be added to the invoice. Additionally, the client understands that a third-party servicer may first deposit the retainer sum and the firm's operating account, reduced by any fees, and then transferred into a dedicated escrow account.

#### **Attorney-Client Privilege and Confidentiality**

Communications between you and us are privileged and confidential. We will take all reasonable steps necessary to protect that privilege and maintain confidentiality.

As we have discussed, because we use a team approach to planning in order to best advise you and to accomplish your work related to your legal matter, we will need to discuss certain matters with professional advisors, institutions, and other people. Also, to best serve your interests

upon disability or death, you may want to authorize us to disclose information to your personal representatives, agents, and trustees. By signing this engagement letter, you agree that we may disclose information to those people or entities that you later identify to us in writing. In every instance, we will only divulge the absolute minimum amount of information required and then only that which you have authorized us to disclose.

We understand the importance of making our clients happy and strive to provide the best services possible. Prior to publishing any comments or reviews online, the client and firm agrees to go to arbitration to resolve any dispute, each party to bear their own cost. Should either party publish a review or website online concerning the other party, the publishing party automatically grants an irrevocable, perpetual, fully-paid, worldwide exclusive license to use, copy, perform, display, distribute or remove such information and content.

#### **Disclaimer of Guarantee**

Nothing in this agreement or any statement by an attorney or staff member of our office will be construed as a promise or guarantee regarding the outcome of your matter. No attorney or staff member of our office makes any such promises or guarantees. Any statement regarding the outcome of your matter is an expression of opinion only. You are aware of the hazards of litigation and acknowledge that we have made no guarantees in the disposition of any phase of the matter for which you have retained this office. Nonconsensual pornography is a very sensitive topic in New York and the case law varies significantly. Given the New York Court's treatment of nonconsensual pornography cases, we cannot guarantee, among everything else and other things, (1) the statute of limitations has not expired and (2) jurisdiction in New York (3) if you are requesting removal of the websites, that the websites will come down, (4) if you are requesting information, that the defendant is not using a VPN or masking their information, and that the information we receive from any company will be useful, and (5) that a newspaper article will not be written about your case because it is a matter of public record.

**Lastly, you have the right to consult with outside counsel regarding this legal matter either prior, during or after your representation.**

Please feel free to contact us with any questions or comments you have.

Statement of Client's Rights and Responsibilities

Your attorney is providing you with this document to inform you of what you, as a client, are entitled to by law or by custom. To help prevent any misunderstanding between you and your attorney, please read this document carefully.

If you ever have any questions about these rights, or about the way your case is being handled, do not hesitate to ask your attorney. He or she should be readily available to represent your best interests and keep you informed about your case.

An attorney may not refuse to represent you on the basis of race, creed, color, sex, sexual orientation, age, national origin or disability.

You are entitled to an attorney who will be capable of handling your case; show you courtesy and consideration at all times; represent you zealously; and preserve your confidences and secrets that are revealed in the course of the relationship.

You are entitled to a written retainer agreement which must set forth, in plain language, the nature of the relationship and the details of the fee arrangement. At your request, and before you sign the agreement, you are entitled to have your attorney clarify in writing any of its terms, or include additional provisions.

You are entitled to fully understand the proposed rates and retainer fee before you sign a retainer agreement, as in any other contract.

You may refuse to enter into any fee arrangement that you find unsatisfactory.

Your attorney may not request a fee that is contingent on the securing of a divorce or on the amount of money or property that may be obtained.

Your attorney may not request a retainer fee that is nonrefundable. That is, should you discharge your attorney, or should your attorney withdraw from the case, before the retainer is used up, he or she is entitled to be paid commensurate with the work performed on your case and any expenses, but must return the balance of the retainer to you. However, your attorney may enter into a minimum fee arrangement with you that provides for the payment of a specific amount below which the fee will not fall based upon the handling of the case to its conclusion.

You are entitled to know the approximate number of attorneys and other legal staff members who will be working on your case at any given time and what you will be charged for the services of each.

You are entitled to know in advance how you will be asked to pay legal fees and expenses, and how the retainer, if any, will be spent.

Ms. Marisa Hahn  
As of July 1, 2020  
Page 7

---

At your request, and after your attorney has had a reasonable opportunity to investigate your case, you are entitled to be given an estimate of approximate future costs of your case, which estimate shall be made in good faith but may be subject to change due to facts and circumstances affecting the case.

You are entitled to receive a written, itemized bill on a regular basis, at least every 60 days.

You are expected to review the itemized bills sent by counsel, and to raise any objections or errors in a timely manner. Time spent in discussion or explanation of bills will not be charged to you.

You are expected to be truthful in all discussions with your attorney, and to provide all relevant information and documentation to enable him or her to competently prepare your case.

You are entitled to be kept informed of the status of your case, and to be provided with copies of correspondence and documents prepared on your behalf or received from the court or your adversary.

You have the right to be present in court at the time that conferences are held.

You are entitled to make the ultimate decision on the objectives to be pursued in your case, and to make the final decision regarding the settlement of your case.

Your attorney's written retainer agreement must specify under what circumstances he or she might seek to withdraw as your attorney for nonpayment of legal fees. If an action or proceeding is pending, the court may give your attorney a "charging lien," which entitles your attorney to payment for services already rendered at the end of the case out of the proceeds of the final order or judgment.

You are under no legal obligation to sign a confession of judgment or promissory note, or to agree to a lien or mortgage on your home to cover legal fees. Your attorney's written retainer agreement must specify whether, and under what circumstances, such security may be requested. In no event may such security interest be obtained by your attorney without prior court approval and notice to your adversary. An attorney's security interest in the marital residence cannot be foreclosed against you.

You are entitled to have your attorney's best efforts exerted on your behalf, but no particular results are guaranteed.

If you entrust money with an attorney for an escrow deposit in your case, the attorney must safeguard the escrow in a special bank account. You are entitled to a written escrow agreement, a written receipt, and a complete record concerning the escrow. When the terms of the escrow

Ms. Marisa Hahn  
As of July 1, 2020

---

agreement have been performed, the attorney must promptly make payment of the escrow to all persons who are entitled to it.

In the event of a fee dispute, you may have the right to seek arbitration. Your attorney will provide you with the necessary information regarding arbitration in the event of a fee dispute, or upon your request.

<b>General Instructions</b> Section references are to the Internal Revenue Code unless otherwise noted. Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at <a href="http://www.irs.gov/w9">www.irs.gov/w9</a> . Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page. <b>Purpose of Form</b> A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to: 1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued). 2. Certify that you are not subject to backup withholding, or 3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and 4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9. <b>Definition of a U.S. person.</b> For federal tax purposes, you are considered a U.S. person if you are: • An individual who is a U.S. citizen or U.S. resident alien, • A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, • An estate (other than a foreign estate), or • A domestic trust (as defined in Regulations section 301.7701-7). <b>Special rules for partnerships.</b> Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.
